FOOD ON DEMAND

FOD app users order 1-5 times/month

NUMBER OF TIMES FOD APP USED PER MONTH

Base: Total (n=1781)

Q1 In an average month, approximately how many times do you use a Food On Demand app?

Convenience of being at home is the #1 reason for using FOD apps.

Reasons For Using FOD Apps

Consumers understand restaurant and delivery service roles except when it comes to food temperature.

Consumers are divided as to where this responsibility lies.

Who Is Responsible When Issues Arise

Restaurant At Fault

Delivery Service At Fault

Consumers Divided
